

## About Clackamas Middle College

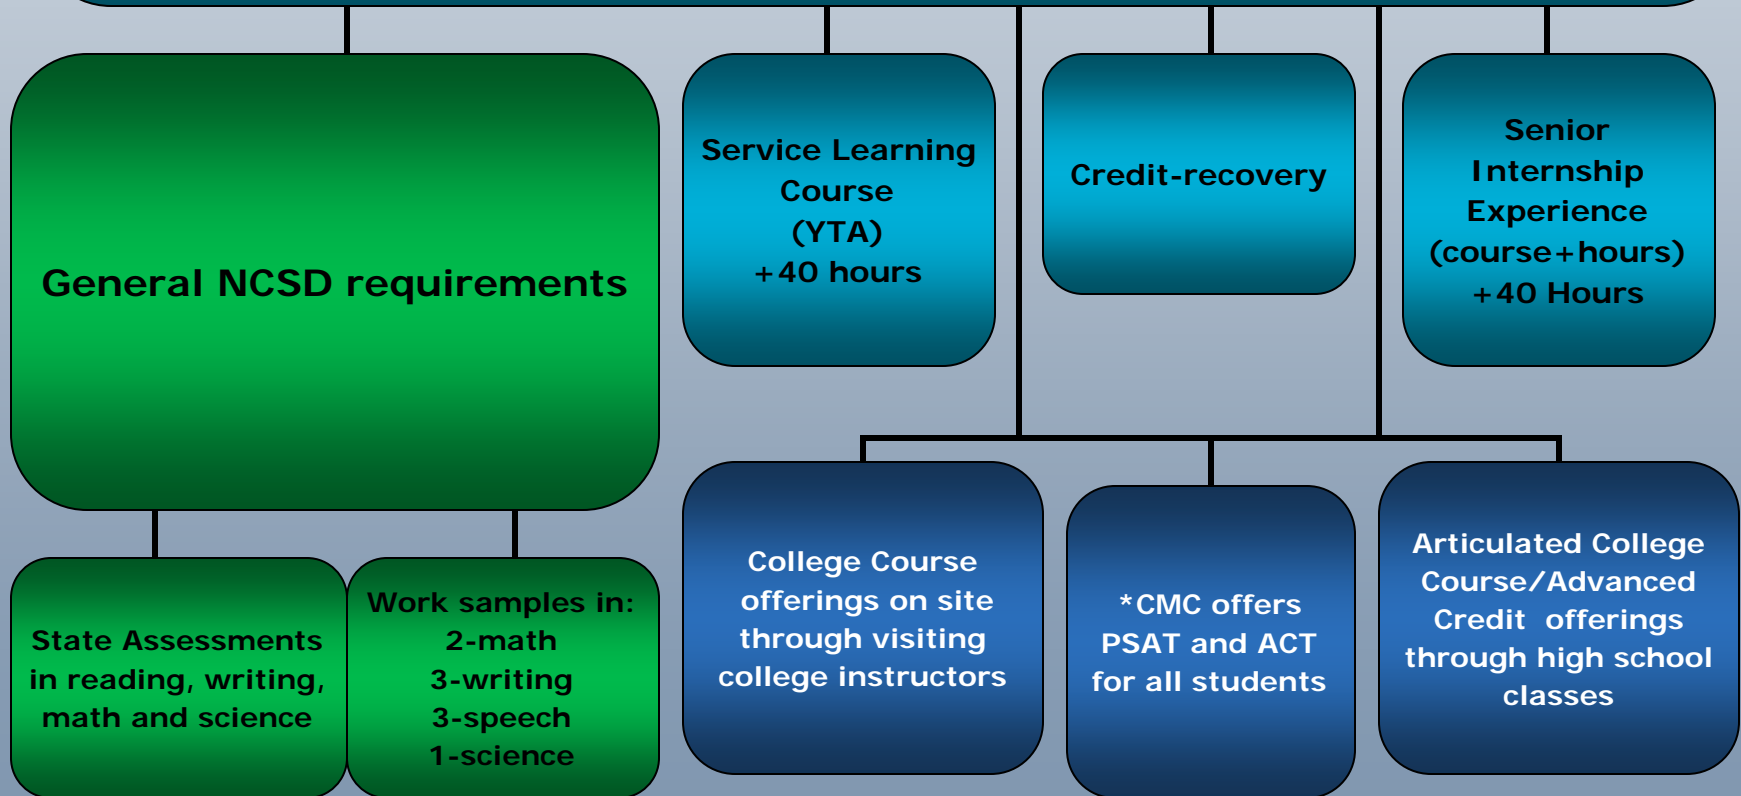

Clackamas Middle College exists to serve students as they grow as learners and individuals. Our philosophy incorporates rigorous and varied educational experiences with personalized teaching, counseling, and academic planning. As students develop college readiness skills, CMC offers access to Clackamas Community College opportunities for which students are awarded dual high school and college credit.

- **Clackamas Middle College** places its students in one of three programs based on college placement scores and student performance.
  1. **CMC College Prep**
  2. **CMC Cohort (Cohort 1 or Cohort 2)**
  3. **College Extended Options (CEO)**

CMC offers an accredited North Clackamas School District High School Diploma through innovative high school/college transition classes along with a specialized service learning and senior internship program. The requirements of the diploma follow NCSD requirements and guidelines.

# Clackamas Middle College College Extended Options (CEO)

The College Extended Options Program (CEO) offers students who have college readiness skills, rigorous and varied educational experiences with academic planning and financial support for tuition and books. Students complete an educational plan to help them obtain a specific college certificate or a two year college degree along with their high school diploma. The aforementioned philosophy is obtained through a collaboration with a community college to provide an individualized college experience for our students.

- The **CMC College Extended Options Program (CEO)** involves two important aspects with which it serves its students:

## **1. Student Progress and Tracking**

- Year to Year Goal Planning
- Academic Advising
- Specialized Support
- Creating and Updating CEO Student Folders

## **2. Financial Support**

- Tuition
- Book Purchasing

### **Tuition and Fees:**

- **\$800 per term**

### **Books:**

- **\$450 per year**
