

## North Clackamas Education Foundation 2017 Scholarships and Guidelines

Clackamas Education Foundation (NCEF) provides scholarships to graduating high school seniors to continue their education at a college/university or accredited career school of their choosing.

NCEF will accept scholarship applications from graduating seniors who meet the following guidelines:

- ❖ Grade point average **2.5 or higher**
- ❖ Attending an accredited regional college or career school unless otherwise specified
- ❖ Scholarship will be used within one year of graduating
- ❖ Preference is given to students:
  - ❖ With financial need or other challenging circumstances
  - ❖ First generation college students (those who do not have a parent with a 4-year college degree)

NCEF offers the following scholarships:

**Bridges to Success** scholarships (\$1000 - \$1500) are awarded to seniors demonstrating financial need as well as first generation students (those who do not have a parent with a 4-year college degree) or those experiencing other challenging circumstances. Students will be selected based on need, service to their community or family and their career goals through written essay and counselor recommendations.

- Application instructions: Complete and submit the NCEF application.

**Joe Krumm Memorial Scholarship** is a one-time scholarship of \$1000 to \$2000 aimed to reduce financial barriers for students identified with specific learning and/or communication needs who also may be participants in NCS D music programs or are members of under-represented groups in post-secondary education.

- Complete and submit the above application and additional application materials available on our website or through your counselor

**Judith Ann Hill Chemistry Scholarship** is a 4-year scholarship pegged to the cost of tuition for a Milwaukie High School (MHS) woman student to major in chemistry at a 4-year college or university

- Complete the above application and additional application materials available through your counselor

**Judith Ann Hill STEM Scholarship** is 2-year scholarship of \$2500/year for a MHS woman student to major in STEM at a 4-year college or university

- Complete the above application and additional application materials available through your counselor

**Nancy Matich Literary Scholarship** is a one-time award of \$3000 for a MHS student demonstrating a love for the literary arts

- Complete the above application and additional application materials available through your counselor

**Josh Critchett Memorial Scholarship** is awarded to a Clackamas High School (CHS) student based on financial need, leadership, honors and awards, activity participation and work and/or volunteer

experience.

- Apply through CHS

**Sabin Schellenberg Technical Scholarship**

- For more details, please contact and apply through Sabin-Schellenberg

**Award Procedures**

Scholarships will be presented at high school awards assemblies for seniors.

Unused funds, if any, shall be returned to NCEF.

Payment of scholarship funds will go directly to the educational institution in which the student has enrolled and will not be awarded until the student submits the name/address of the school's financial aid office at which they have enrolled and registered; and their student identification number.

Scholarship recipients will notify the Foundation if they change schools.

We encourage the students to update the Foundation regarding their academic progress and to participate, if invited, in Foundation activities and events to ensure future funding for this program.
