Dear CMC Senior:

As we get underway with the 2017-2018 school year, we want to make sure that our communication is current to ensure a successful school year for you. We are scheduling two mandatory senior informational meetings so that we can update you on our program requirements and changes we have made to our Internship Experience class that is required for graduation.

In order to provide the best support and guidance, our graduating seniors will have access to CMC counselors to help them with their Internship Experience class. Resources and support for college and career planning will be available online, in individual meetings, and throughout the year during senior workshops for students.

The times and dates for these informational nights are listed below:

Tuesday, September 19, 2017

- **5:30-6:30pm**-(Seniors whose last name begins with A-M should attend this hour along with their parent/guardian for important senior requirement information)

Wednesday, September 20, 2017

- **5:30-6:30pm**-(Seniors whose last name begins with N-Z should attend this hour along with their parent/guardian for important senior requirement information)
****If you can't attend during your scheduled time, please attend the other meeting***

Thank you for your time and we look forward to seeing you and working with your son/daughter this school year.

Sincerely,

Brian Sien, Ed. D.
Principal
