Clackamas Middle College (CMC) Community,

As we enter the midpoint of our winter trimester, we would like to host our **virtual** Parent/Guardian-Teacher Conferences **on Friday, February 2nd**. These conferences will give families an opportunity to meet with their child and teachers to provide any necessary support to complete another successful trimester.

These virtual conference dates are for families of students in all of CMC's programs. We will have CMC counselors, teachers, and other staff members available to answer any questions you might have. The purpose of the conference is to increase your understanding of your child's journey throughout the 2023-2024 school year. As we go through this process together, please feel free to ask any questions or voice any concerns you may have about your child's progress. **We encourage all families to log into their North Clackamas (Google) email account with their child. Prior to signing up, please review your child's grades (via [ParentVUE/StudentVUE](#)) to pick the appropriate time for the conference.**

The conference times for **Friday, February 2nd** begin at 8:00am and run through 3:45pm with a lunch break built into the schedule for our staff.

These days are very important to your child's education. We are looking forward to the conference and working with you to ensure the success of your child. If you cannot attend during the days and times listed above, please feel free to contact your child's teachers/counselors. Early next week, we will email families Google Meet teacher codes to enter the conferences directly during the appropriate scheduled times.

There will be no school for students in CMC's College Prep Program Friday, February 2nd due to these conferences. We do encourage your child to attend with you for a successful conference. Students who are in the Pathways to College Program, Pathways to Careers or the College Extended Options Program will still be required to attend their college classes on this day.

Also, as a reminder, Presidents Day is Monday, February 19th. Both CMC & CCC will be closed on these days.

Thank you for your time, we look forward to seeing you, and we wish you the best this school year!

Sincerely,

A handwritten signature in black ink that reads 'B Sien'.

#### Tips:

- Each teacher will have their own conference code. You will have to match your conference teacher/time with the correct conference code.
- When it is time for your conference, please open the meeting, and click "ask to join." Please, don't log into your conference until your scheduled time. When your teacher is ready they will accept your request to join and then you will be connected with your teacher
- Conferences will be approximately 8 minutes long. You and the staff member are encouraged to arrange for a follow-up meeting if needed.
- You may also dial in using the given phone number and code.
