Visit the Nike World Headquarters and learn about starting and running your own business! Explore the campus and discover the ecosystem of businesses that work with Nike. Meet entrepreneurs who are part of a "Nike Academy" program that empowers small and emerging businesses, including those led by people from underrepresented communities. Participate in a workshop on starting your own business. Featured career fields include branding, video production, storytelling and marketing. Practice your skills, get inspired, connect with real-world entrepreneurs and get your questions answered.
