

# CMC - MARINE BIOLOGY FIELD TRIP

Where: Oregon Coast Aquarium and Yaquina Head Natural Reserve, Newport Or.

When: June 16, 2017 – All day trip

Cost: \$20 for Aquarium admission and lunch – paid in advance to Crystal (please let us know if this is an obstacle for you)

Details:

- Leave: At 7:30 am: Please arrange to be here by 7:15 am. We will load into busses
- 1<sup>st</sup> stop: 10:45am – noon: Yaquina Head Natural Reserve – Quarry cove, lighthouse, interpretive center and tide pool
- 2<sup>nd</sup> stop: Noon-1: Lunch at Abby's Pizza in Newport. (Feel free to bring extra snacks, water, etc if you get hungry along the way)
- 3<sup>rd</sup> Stop: 1-3pm: Oregon Coast Aquarium.
- Return: Return to CMC around 6:00pm (depending on traffic)

Reminders:

- Marine Biology students will have an assignment to complete during the trip. If you are not attending you will have an alternate assignment.
- Prepare for poor weather as the tide pools and parts of the Aquarium are outside.
- It is against the law to remove anything from or to damage the tide pools. These are living things in their own habitat, do not disturb them.
- Follow all rules of the Aquarium and treat all people with respect.

**Permission slip (on Back) must be signed and fees paid to Crystal by Wed June 14<sup>th</sup>.**
