March 12th, 2019

Dear CMC Student:

Congratulations on your acceptance into Clackamas Middle College's Pathways to College Program for spring term. The acceptance is conditional upon the successful completion of all winter term courses. The Pathways to College Program allows students to begin their transition over to Clackamas Community College. Our Pathways counselor will be communicating with each of you about which of our Pathways to College program options will be the best fit for you based on academic achievement and your long-term college and career goals: transfer option or career/technical option. Spring term classes for the Pathways to College Program will begin on **Monday, April 1st, 2019**.

In order to help with the communication of this process, we invite you and your parents/guardians to attend a **Pathways to College Orientation** to be held this **Friday, March 15th from 12:45 pm to 2:00 pm at the CCC Harmony Campus**. We will meet in the lobby of the Harmony East building. Please make sure to communicate this upcoming absence to your in-building 4th and 5th period teachers.

During this orientation, we will go over rules, procedures, and protocols in order to be successful and remain in our college transition programs. We will also give out classroom and building assignments for each class along with textbook information. Textbooks will be provided (checked out to the student) for the Pathways to College Programs and need to be picked up from Crystal at CMC on Monday, April 1st before your first college class.

Student attendance is required, so please plan on attending. If you have any questions, please contact our counselors, Michael Ferber and Kami Aguilar. They both can be reached at the following e-mail addresses and phone numbers:

- ferberm@nclack.k12.or.us
 - 503-518-5925 ext. 104
- aguilark@nclack.k12.or.us
 - 503-518-5925 ext. 105

Thank you for your time and we look forward to seeing you soon!

Sincerely,

Brian Sien
Principal
Clackamas Middle College
