

# CMC Photography Club

The purpose of the club is to involve students who have an interest in digital photography and show an appreciation for what photography can say.

All students are welcome to join - experience in photography is NOT a requirement - just a desire to learn with a hands-on approach. Club members will be learning from each other as they share their latest images with each other to comment on, praise and offer suggestions for improvement. **Join the fun!**

**Virtual Kick-Off Meeting:** Wednesday, Nov. 4th from  
1:00-2:00pm
