

MUSIC CLUB

Members of the Music Club are lovers of music and are also grateful for this art that moves the world to places of heightened emotions from sadness to joy. Led by fellow Music Club members, as well as a teacher advisor who shares a passion and talent for music, members share, create, or discover music on an interactive journey. Members celebrate, educate, support, inspire, create, listen, and express their love for the spirit of music.

Virtual Club Kick-off Meeting: Wednesday, November 4th from 1:00-2:00pm

Advisor: Alana Jeverter; jeverta@nclack.k12.or.us
