Hello Class of 2022 Students and Families,

Welcome back! We hope you had a fun and safe summer. As we get underway with the 2021-22 school year, we want to make sure that our communication is current to ensure a successful school year for you. We are offering a **Virtual Class of 2022 Information Night** meeting next week for students and parents/guardians so that we can update you on our program/graduation requirements and provide support for this year's graduating class.

**Attendance at the meeting is mandatory. Students: If you are unable to attend, please contact your counselor.**

In order to provide the best support and guidance, our graduating class will have access to CMC counselors to help them reach their goals and cross the finish line. Resources and help with college and career planning will be available online, in individual or group meetings, and throughout the year during special events for students.

The details and meeting link for **Class of 2022 Information Night** are listed below:

**Tuesday, September 28, 2021 from 5:30-6:30pm:**
