CMC Community,

As we close out on our winter trimester, I would like to take this opportunity to share with you some special activities we are planning at Clackamas Middle College (CMC) to celebrate the hard work put into the year by our students and staff.

On Thursday, March 17th, we will be taking our students up to Mt. Hood to go snow tubing. We will board buses and head up to the mountain, where students will be able to snow tube for a few hours, have lunch, and return to CMC in the afternoon. If your child would like to participate, please check the appropriate choice, sign below, and have your child return this form to their CMC advisor. ***It is important to have your child bring a sack lunch on the day of the trip.*** The cost of busing and snow tubing will be covered by CMC.

We would like all students to participate in the special activities planned for this day. If you don't want your son/daughter to participate, please mark the appropriate choice and sign below.

I would also like to let you know that there will be no school for students on Friday, March 18, 2022, as teachers prepare final grades for the winter trimester.

Please indicate your choice, sign below and have your son/daughter return this form to their CMC advisor.

Thank you for your consideration, and feel free to contact us with any questions you may have. **Please return this form by Tuesday, March 15, 2022.**

It is ok for my son/daughter to participate
 I **do not** want my son/daughter to participate
